
Plantec AbyButter

Preservative Free

100% Vegetable Origin

INCI : Crambe Abyssinia Seed Oil
(and) Hydrogenated Vegetable oil

Description

Plantec AbyButter is derived directly from pure Abyssinian Oil. It is a 100% vegetable origin raw material with no preservatives. It retains the beneficial skin care effects of the Abyssinian Oil but also offers improved stability and the convenience of use of a natural butter.

Abyssinian Oil is a new exciting oil which has a unique molecular structure as it consists of a high percentage of unsaturated C22 fatty acids. This assures high stability and resistance to oxidation.

Plantec AbyButter has excellent spreading characteristics on the skin and penetrates rapidly leaving a soft, smooth, non tacky feeling to the skin. It provides natural moisturising characteristics in a wide range of products such as skin care creams, shampoos, hair conditioners etc.

Benefits of **Plantec** AbyButter

- Melts instantaneously on the skin, plus absorbs readily.
- Improves the spreading and skin feel from the finished products
- Natural emollient with a unique light after skin feel
- Gives a healthy and emollient feeling to hair care products
- Helps to stabilise emulsions and to adjust viscosity
- Positive marketing possibilities

Suggested Applications/ Formulation

- Skin moisturising - Face and body creams/lotions/balms and butters
- Lip Balms
- Hair creams and conditioners

Suggested use level: 2-10%

Plantec AbyButter
